

EVENTS AT THE WESLEY ANNE

The image shows the interior of The Wesley Anne restaurant at night. The room has a rustic, industrial feel with exposed wooden beams on the ceiling and walls. Large windows with wooden frames are prominent, looking out onto a dark street. Inside, there are several tables and a bar area. People are seated at the bar, and some are standing near the windows. The lighting is warm and intimate, featuring string lights along the ceiling and several hanging pendant lamps with glass shades. A green 'EXIT' sign is visible above the windows. The overall atmosphere is cozy and sophisticated.
